

## Bereskin & Parr listed in "2020 Top Intellectual Property Boutiques" by Canadian Lawyer

February 5, 2020

On February 4, *Canadian Lawyer* magazine published an article "2020 Top Intellectual Property Boutiques", a feature which listed the Top 10 intellectual property boutique law firms in Canada. Bereskin & Parr LLP is proud to announce they are listed among the Top IP boutique law firms by *Canadian Lawyer*.

In order to compile the list, *Canadian Lawyer* conducted the following process: "We asked lawyers, in-house counsel and clients from across Canada to vote on the top intellectual property and labour and employment boutiques. They were asked to rank their top firms from a preliminary list, with a chance to nominate a firm that was not included on the list. To be considered in the vote, firms were required to have at least 80 per cent of their business come from intellectual property or labour and employment. The final rankings were determined through a points system, in which firms were rewarded on a sliding scale for the number of first to 10th-place votes received. The quantitative results are combined with feedback from respected senior members of the bar and in-house counsel when applicable."
