

Isi Caulder Awarded the University of Toronto 2019 Arbor Award

October 25, 2019

Congratulations to **Isi Caulder** who was awarded the University of Toronto 2019 [Arbor Award](#) on October 10, 2019 for her tremendous generosity and contribution to the experience of U of T students, faculty, staff, alumni, and her work on the Engineering Alumni Awards Committee.

From the University of Toronto:

Our volunteers personify the very best attributes of the University's motto, Velut Arbor Aevo – "May it grow as a tree through the ages." Their work represents both our roots and our branches, which have served to anchor our traditions and spread the mission of this University – to meet global challenges and prepare global citizens.

The award can be granted for contributions to specific academic units, such as faculties, colleges or institutes, or to the university at large. Sponsored by University Advancement, the award ceremony takes place at the President's official residence at 93 Highland Ave.

We are proud to honour and celebrate the contributions of these exceptional volunteers.
