

Mike Fenwick interviewed by National Magazine in article titled "The new cannabis?"

October 28, 2021

In an interview by National Magazine about the medicinal promise of psychedelics as a potential treatment for mental health disorders, Mike Fenwick was quoted saying: "I've actually never seen anything quite like this, it just seems there is a rush to the Patent Office right now, and that's why the focus on IP and patents is so important."
