

Contact Us

Our offices are located in four major technology and economic areas: Toronto, Mississauga, Waterloo Region and Montréal. We have positioned ourselves in these cities to easily serve our clients in various growing industries. In each of our offices, our professionals are supported by dedicated and experienced staff who help to ensure that our work product is always accurate and timely. By providing seamless patent, trademark and copyright services within many specialized industries and sectors, the firm continues to be recognized as the benchmark for IP law in Canada.
