Experience

Adam Bierylo is an associate at Bereskin & Parr LLP. His practice focuses on patent drafting, prosecution and opinion work, with a particular focus on mechanical and industrial innovations.

Adam completed a Bachelor of Engineering Science in Mechanical Engineering at the University of Western Ontario, where he graduated with distinction and was awarded for academic achievement and involvement.

During law school, Adam acted as Editor-in-Chief for the University of Toronto Faculty of Law Review, and had one of his papers relating to international patent rights published in The Western Journal of Legal Studies.

Prior to being admitted to the Bar, Adam was both a summer and articling student with the firm.

Adam is fluent in Polish.
