### **Experience**

Ahmed Elmallah is an Associate with Bereskin & Parr LLP and a member of the firm's Electrical & Computer Technology Patent Group. Ahmed was called to the Ontario Bar in 2016.

His practice focuses on all aspects of patent prosecution and opinion work. Ahmed assists clients in securing patent protection for their inventions in Canada, the United States and internationally. He has experience in electrical and mechanical patent prosecution, copyright and industrial designs.

Prior to joining Bereskin & Parr LLP, Ahmed was an Associate at an IP firm in Toronto, where he undertook both Canadian patent and trademark prosecution, and provided patent and trademark litigation support.

Ahmed's academic career has been marked by excellence. He graduated from law at Queen's University on the Dean's Honours List. During law school he participated in the Harold G. Fox Intellectual Property Moot and was a member of the Queen's Intellectual Property Law Club. Ahmed received the *Bereskin & Parr Award in Patent Law (2014)*, the *WeirFoulds LLP Prize in Remedies (2014)* as well as the *Queen's Law Prize in Copyright Law (2015)*.

Prior to attending law school, Ahmed completed his B.Sc. in Electrical Engineering at the University of Alberta, where he graduated third in his class.
