### **Experience**

Anastassia Trifonova is an associate at Bereskin & Parr LLP and a member of the Litigation practice group. Her practice focuses on litigation in all areas of intellectual property, including patents, trademarks, copyright, industrial design and confidential information.

Anastassia completed her B.Sc. (Hons.) and M.Sc. in Biology, with a focus on molecular and cell biology at York University. After graduation, she worked as a quality control scientist at a global pharmaceutical company.

Anastassia received multiple awards throughout her education including the Alexander Bell Canada Graduate Scholarship. While attending law school, Anastassia was a student editor at IP Osgoode IPilogue and a clinic fellow at IP Osgoode Innovation clinic.

Prior to being admitted to the Ontario Bar, Anastassia was an articling and summer student with the firm. She also summered in-house with a large pharmaceutical company.
