Experience

Sam Frost is a partner with Bereskin & Parr LLP. He serves a wide range of clients with his patent expertise in software, electrical and mechanical inventions, including fuel cell and mass spectrometry technologies.

Sam is member of the Intellectual Property Institute of Canada's (IPIC) International Patent Issues Committee. He is a recipient of the J. Edward Maybee Memorial Prize for earning the highest mark on the patent agent examination and the Educational Foundation Prize for earning the highest mark on the trademark agent examination.

Sam has published papers on the various intellectual property aspects of protecting inventions. He has also contributed extensively to patent agent training, having previously been a member of the Canadian Patent Agents Examination Board.
