Experience

Ryan De Vries is an associate with Bereskin & Parr LLP and member of the Patents practice group.

Ryan's practice focuses on patent prosecution. He assists clients with strategic intellectual property advice for mechanical, electrical, and computer subject matter, with a focus on mechanical subject matter.

He is currently a member of IPIC's Young Practitioner's Committee.

Prior to being admitted to the Ontario Bar in 2017, Ryan was an articling student with Bereskin & Parr. He graduated from Osgoode Hall Law School in 2016. Ryan also holds a Bachelor of Science in Physics from the University of Western Ontario, where he received the Western Scholarship of Distinction in 2010.
