Experience

Victor Krichker is a lawyer (admitted in Ontario and Massachusetts), as well as a registered patent and trademark agent, and is the Head of the firm's Licensing & Transactions practice group.

Victor's practice is focused on advising clients on obtaining patent protection in the computer software and mechanical fields; intellectual property and technology transactions, including the sale and license of intellectual property rights; and managing intellectual property portfolios, including enforcement and avoiding infringement of third party intellectual property rights.

Victor has co-authored many articles on patent and technology law, and has spoken on patent law and intellectual property licensing at multiple conferences and seminars. He is a member of the Board and is currently serving on the Executive of the Canadian Technology Law Association.

Victor was previously the Head of the firm's Software & High Technology practice group and a member of the firm's Executive Committee.

Prior to joining Bereskin & Parr, he held the position of Intellectual Property Counsel for a Canadian FinTech software company.
