

## Professionals

Bereskin & Parr LLP is a leading Canadian intellectual property (IP) law firm serving clients of all sizes, in a variety of industries, both domestic and international. The firm was founded in 1965 and has grown to be one of the largest IP law firms in Canada and serves clients in over 100 countries. Our offices are located in major economic or technology centres: Toronto, Mississauga, Waterloo Region, and Montréal. Bereskin & Parr is made up of over 80 lawyers, patent and trademark agents, many of whom are recognized as leading practitioners in their respective fields. The firm's practice encompasses all aspects of intellectual property law.

At Bereskin & Parr you will work on interesting files with clients ranging from small start-up companies to large multi-national corporations. You will have the resources of a large law firm while practicing in a more relaxed environment. Our firm provides the opportunity to work and learn with some of Canada's best known and experienced IP lawyers, and offers excellent training, resources and a friendly and flexible working environment.
